★★★★★ **Excellent Debut from Down Under!**, November 18, 2005

Claire Trentain's music show the promise of Australia's next pop princess. I couldn't help but wonder if she were not perhaps the musical love child of Kylie [Minogue] and Keith [Urban]! There's a diversity among her tracks that show she can easily swing from dance to country and from soulful ballad to upbeat pop. Pretty and perky, this Aussie girl looks poised to follow up with even more sophisticated and enduring material in future CDs.
